GUEST CHEF INFORMATION

The National Ability Center is excited to host the 8th annual Red, White & Snow - one of the organizations premier fundraisers. The weekend-long event combines world-class skiing with some of the nation's top chefs and finest vintners. The Vintner Dinners are the highlight of Red, White and Snow, pairing guest chefs and vintners to prepare a first-class meal in an intimate setting. Dinners are hosted in luxury homes in Park City and Deer Valley. Twelve to 20 guests enjoy a gourmet meal the chefs create which showcase their talents and highlight each wine pairing.

Guest Chef Responsibilities

- Menu - Create a three to four course meal for 12-20 guests. Menu will be paired with wines in coordination with each vintner.

•Ingredients - Chefs are responsible for the cost of the ingredients. Small stipends are available on a limited basis. Please contact the NAC for additional information.

•Site Tour - Meet with dinner host prior to event date for site tour of the home (special accommodations will be made for out of town chefs).

•Equipment - Provide any special equipment you need to prepare the dinner.

•Event logistics - Work with dinner host to determine table set-up, number and type of dishes and glassware needed and flow of evening.

•The NAC will provide volunteers to help set-up, serve the meal and clean up.

A Few Words about Red, White and Snow from our Vintners

"I'm so honored to be part of the Red, White & Snow event to help raise money for the National Ability Center. The fortitude and dedication that the athletes show is an eye-opening experience, that is truly beyond words. I've met extraordinary people and made life-long friends. I am proud that Joseph Phelps Vineyards continues to support this event!" -Ashley Hepworth, Joseph Phelps Vineyards

"Red, White and Snow is by far our favorite event, not only because it benefits an absolutely wonderful organization that is near and dear to our hearts but because the energy and the events are so unique, personal and fun... We have participated from the very first one and each year we can't wait to return the following March."
