Color: Pinto

Height: 15.1 hands

At NAC since: November 2007

**Donated by:
Katie Barrus**

**Sponsored by:
Emma Nyarady
2010 Gold Sponsor**

Biography:

Cochise is a Tennessee Walker/Quarter Horse cross that was donated to us by Katie Barrus in November 2007. Cochise was born in 1990 and has the experience that we look for in our older horses. He worked as a ridgeline fire patrol horse and has also been a 4H family horse with some Clinton Anderson training.

One of the most special things about Cochise is that, being a Tennessee Walking horse, he has an extra gait that is very smooth and makes it possible for riders to experience the trot sensation without the uncomfortable bouncing. This is particularly helpful for some of our students who may not have the leg strength to post the trot. Cochise also has a very sweet temperament that is always trying to please you.
